

# CCS Capabilities

## Card Readers

While 85% of all global transactions are made in cash, 390 billion cashless transactions take place every year, and in 2016 alone, \$620 billion was processed via mobile—a number that continues to grow. Never miss a sale with our comprehensive suite of card readers, engineered to accept whatever form of payment is in your customer's wallet.

- MEI® 3-in-1 Bezel
- MEI® 4-in-1 Plus Bezel
- MEI® 5-in-1 Bezel
- MEI® eChoice™ Bezel Suite
- MEI® eChoiceONE Bezel
- MEI® eChoice4 Bezel
- MEI® eChoice5 Bezel

## Screens

Revolutionize the consumer experience and elevate the impact of every transaction with dynamic interactive screens. Maximize your technology investment and increase consumer loyalty with screens that enable you to augment the payment workflow, provide a conduit for feedback, facilitate refunds and display nutritional information. Want more? Sign up for digital advertising campaigns that boost your machine profile and your bottom line.

- MEI IVDS® Screen
- Media Touch™ Screen
- Navigator Touch Screen

## Telemetry

Unleash the power of connectivity with one of our highly-engineered telemetry solutions. Give your machine a voice and connect to the Internet of Things with a configurable telemeter from CCS. Our modular solutions deliver maximum flexibility, enabling you to upgrade your wireless and grow with the market as technology continues to evolve.

- MEI EASITRAX® Advance 5000™
- Navigator™
- Atlas G™

## Hosting Services

Reduce your IT costs by relying on CCS for your database hardware, software and infrastructure needs. With no need to purchase, upgrade or maintain a server environment, you can focus on growing your business with the knowledge that our computing technology is always working for you.

- Enterprise Software Hosting
- Custom API to Enterprise Systems
- VendMAX™ Hosted Solution
- Easitrax™ Hosted Solution
